CAPS2015: Detailed release of the event's programme.

The 2nd international annual event on Collective Awareness Platforms for Sustainability and Social Innovation (CAPS) will be held in **Brussels on July 7th and 8th, 2015**. [La Tricoterie](#) will be the host venue of this eagerly awaited event.

Open policy making, the transition from the IoT to the Internet of Communities, Building Networks for Good or the bottom-up approach in EU programmes are just a quick glance of the topics to be covered at CAPS2015.

The speakers' list features **key experts from relevant organisations** like the P2P Foundation, Nesta, Our Cities, the Internet of Things Council, Fora Do Eixo, Purpose, unMonastery, Autoconsulta Ciudadana, Edgeryders, the Democratic Society. The speakers' biography can be fully explored on caps-conference.eu.

CAPS projects are also taking an active part in the organisation of CAPS2015: **CATALYST, D-CENT, IA4SI, P2Pvalue, SciCafe 2.0 and Web-COSI** are all organising sessions, while other projects are given the opportunity to meet all attendees during a dedicated poster session closing the CAPS2015 Conference.
